The Town of Amherst provides annual fee subsidy assistance of 25% and 50% to assist qualified low income families with LSSE program fees. We realize in some situations family circumstances may warrant additional assistance to alleviate an economic hardship.

If you would like LSSE to consider additional financial support, *please describe your circumstances and need, and attach income verification such as a completed 2017 IRS 1040 form or two consecutive paystubs*. LSSE also welcomes request letters from social service agencies familiar with your family's situation.

The additional need reduction will affect registrations going forward and cannot be used to adjust previous registrations.
